Dear Mrs Gardner

**Planning Application: FG/52/18/PL
Amendments to design approved under FG/95/16/PL
Quercus Nursery, Littlehampton Road, Ferring, BN12 6PH**

Please find enclosed the specialist drainage strategy for the above.

The applicant's drainage consultants have been discussing the drainage requirements with the Lead Local Flood Authority (LLFA) and the additional infiltration testing they requested has taken longer than anticipated.

Please let us know if you require any further extensions of time to consider this information.

Should it seem likely that this application will attract an adverse officer recommendation then we ask to be informed in good time, before the item is determined, added to any committee agenda or, delegated powers list.

With kind regards

Yours sincerely

Paul Hughes
