Dear Sirs,

Re: 58 Elm Park, Ferring

Further to the application which was recently submitted for loft extension/conversion and rear extension at the above I am writing to advise that there have been a couple of changes to the scheme which are summarised as follows:

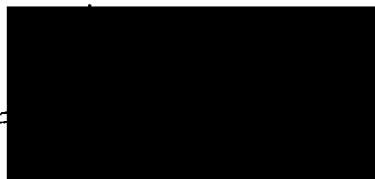

1. The rear dormer has been increased in width from a double casement window to a triple casement window.
2. The north and south gables are now both shown clad with weatherboard.
3. The western bedroom wall has been moved to the east to increase the size of the bedroom.

I enclose herewith four copies of Dwg. No. 08/078/6b and 7b.

I would be grateful if you could substitute these drawings with those originally submitted and proceed with determination.

If you have any queries please contact me.

Yours faithfully,

David J. Bennett B.Sc. (Hons) MRICS
