Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/54/22/PL
Site Address: Land rear of 1 Sea Drive Ferring BN12 5HD
Description of works: 1 No new dwelling. This application is in CIL Zone 4 and is CIL Liable as new dwelling.

Thank you for your internet representation made on 13th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46625

- Planning was granted based on a balance between house and garden sizes. This has now been radically changed with the new house footprint much larger, and with a significantly reduced garden size.
- The house is much further forward on the building line of other nearby houses on the Sea Lane.
- The house will overshadow and overlook four gardens on all sides.
- Based on the proposed layout, the owners and visitors to the property will have to reverse into, or out of the Sea Lane entry point very close to the significant change of direction of the road. Although within a current 30mph limit, many cars approach and leave the bend at higher speeds. These two elements when combined can lead to dangerous road conditions.

Your views as made above will be considered before the application is determined.
