Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/54/22/PL
Site Address: Land rear of 1 Sea Drive Ferring BN12 5HD
Description of works: 1 No new dwelling. This application is in CIL Zone 4 and is CIL Liable as new dwelling.

Thank you for your internet representation made on 21st April 2022 which has been recorded as an objection with the comments as follows:

OWPC46868

House is far too big for the plot (to high density)
Its proposed location sticks out far to much onto the road making it an additional Dangerous blind spot for the road users where already people drive far too fast going north and south on Sea lane.
The proposed new house owners will also have to reverse into the road creating a further danger.
Planning was granted for 1 Sea drive on the basis it had a large garden, now they are putting a house in that garden which goes against the original approval.
The house is too far forward on the building line compared to all the other houses on the road
The house will overshadow and overlook four gardens and properties on all sides. This proposed house is inappropriate for the area.

Your views as made above will be considered before the application is determined.
