Dear Sir/Madam

I am writing to object to this application.

The proposed development will overshadow its neighbours and block their outlook. It is out of keeping with the surrounding buildings, it is squeezed in to a too tight back garden plot.

The plans clearly state that vehicles will need to exit the new development by reversing out onto the road at a point where there is a blind bend on Sea Lane. As a regular user of this road both by car and bicycle this is a frightening prospect when approaching from the south and heading towards Ferring - the proposed exit will be hidden by the bow in the road.
