Thank you for your internet representation made on 29th July 2026 which has been recorded as no objection with the comments as follows:

OWPC85437

Having looked at the re-submitted plans I would like to raise no objection and want to fully support the application. The proposed houses are complimentary to the surroundings with good use of the land. This would also make 2 much needed houses available.

Your views as made above will be considered before the application is determined.
