Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/57/22/PL
Site Address: 12 Little Paddocks Ferring BN12 5NJ
Description of works: Demolition and erection of 1 No new dwelling. This application is in CIL Zone 4 and is CIL Liabie as new dwelling.

Thank you for your internet representation made on 11th May 2022 which has been recorded as an objection with the comments as follows:

OWPC47393

We are objecting to this big change of dwelling not only because of the amount of recent large structures being built, but also the effect the many lorries, vans etc are having on this lovely quiet development. The wildlife and ducks that are usually walking around on the pathway are considerably less this year which may be due to the vast amount of building and traffic. It is also a major concern for pedestrians as they are repeatedly forced to step onto the mud or residents front lawns to avoid traffic. I have watched tree branches be carelessly ripped off by lorries going past as well as ,in spite of the sign, vans parking on the North Paddock. The pond and Paddocks are tirelessly cared for by volunteering neighbours but we are fearful of this lovely development losing its charm and the wildlife along with it.

Your views as made above will be considered before the application is determined.
