10 Little Paddocks

Ferring BN12 5NJ

To/ Planning Dept

Arun District Council

Re Planning Application 12, Little Paddocks.

1. I am appalled that the Arun D,C. are giving any considering whatsoever to a large two storey house at 12 Little Paddocks, which would be totally ut of keeping with other properties.
2. The current house on a good size corner plot has already been extended considerably by a builder (a previous owner) and has the opportunity to extend further at the sides and rear garden
3. Many of the two storey houses unsuitable for Ferring, either red brick to ultra-modern, far too tall and many have bland features. LP has individual properties all attractive and the current residents have enhanced LP hugely
4. Council Tax is your need you will have that please don't upset any more law abiding residents.

Kind regards

Christine Dickens
