Attention of Mrs Gardener

Robert & Teasha Kendall

Dear Mrs Gardener

I realise that is past the time for acknowledgement of letters regarding our planning application. Like most applicants who have an interest in their applications, we took a look!!

We would like you to be aware that on our drastic decision to rebuild the property in January, we wrote to both neighbours and the directors of Little Paddocks Assc. in early January informing them of our intentions, In the directors letter we asked for the ins and outs of what we could and could not do.

We received no reply until late April, nearly 4 month later.

By that time our plans were already submitted, which of course has upset them!

We employed a local architect on purpose, as he had insight to the area.

We hope to be as green as possible with the new build and know that EPC has to reach C in the very near future, The existing house falls far below ever realistically reaching that.

We all hate change but we tried our best to accommodate our new neighbours!
