Dear Sir/Madam

Re: Highdown Industrial Park, Littlehampton Road, Ferring, West Sussex

We enclose herewith a planning application for the storage and wholesale supply of fencing materials and associated materials on land at the above site. The application comprises the application forms, requisite fee, accompanying location/block plan and a Planning Statement.

The applicant is setting up a new business which will initially employ 5 people thereby contributing to the local economy. The business will make use of an existing fenced compound which is currently vacant but was previously used for the storage of landscaping and builder's material in connection with a landscape contractor's business. The relevant planning issues are discussed in the accompanying Planning Statement and demonstrate that the proposal is Development Plan compliant.

We trust you have all the information required to determine the application but should you require anything further then please do not hesitate to contact Dawn Appleton on 01243 521828.

Yours faithfully
