Dear Sir or Madam:

RE: PLANNING APPLICATION FG/59/19/HH
PIED A TERRE, FERRING STREET, FERRING. BN12 5JW

I write to object about the size of the proposed first floor extension to the old Police House on the corner of Onslow Drive and Ferring Street. It is gross over development of the site and totally out of character with the adjoining bungalows.

There is no garage space! If a couple buy the property and each own a car, where will they park? It is difficult enough in this village to find a space to park when trying to shop, without property owners parking on the roadside. This is detrimental to the shopkeepers, who have a hard enough job to make a living as it is.

The granting of a first floor extension will affect its immediate neighbour and the owners of Pump Court, 39 Ferring Street. Whilst one doesn't buy a view, I believe the first floor extension is detrimental to the mental well being of the people in Pump Court, as all they will see is a blank wall, with one small window, and be deprived of sunlight which we all need to live a healthy life.

Please refuse this application.

Yours faithfully

Suzanne Blake
