Dear Nicola

I have attached revised elevations as requested 1718 – 05D and 1718 – 08E. The floor plans already in your possession have remained the same.

The slight discrepancies were due to internal layouts altering and also structural openings requiring small increase.

I hope this now all makes sense and these drawings can be processed with my application.

Many Thanks

Kind Regards

Sean Pope

Good Morning Mr Pope

Thank you for the additional plans that have been uploaded to the application.

I have checked dimensions/measurements and have a couple of queries regarding window/door measurements:

- Ground Floor Side window = 0.8m on floor plan (1718/05 Rev C) and 1.1m in side elevation plan (1718/08 Rev D).
- Rear bi-fold doors = 4.96m and 3.2m on floor plan (1718/05 Rev C) and 4.9m and 2.9m on rear elevation (1718/07 Rev C).

Please can you check the measurements, amend accordingly and re submit.

Kind Regards

Nicky
