Subject: Re: Request for further information FG/60/20/T

Dear Nicky, thank you for your email

After consultation with my tree surgeon I can confirm that the proposed height after reduction will be 25 metres (approximately) and the spread will be 20metres (approximately). which represent a reduction of 20%overall. I trust this is the information that you need but let me know if you need anything else. Thank you Silvano Ricci
