Town & Country Planning Act 1990 (as amended)

Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/61/26/HH

Site Address: 5 Chalet Road Ferring West Sussex BN12 5NY

Description of works: Loft conversion comprising front and rear dormers.

Thank you for your internet representation made on 29th July 2026 which has been recorded as an objection with the comments as follows:

OWPC85461

I am objecting to this application on the following grounds. The planned building work states a loft extension, this is a misrepresentation as the plan will, in effect, create a third story to the building. Chalet rd, and indeed the majority of housing in Ferring, is comprised predominantly though not exclusively of bungalows with a small number of two bedroom dwellings. This proposed development would allow for the possibility of the building becoming a six bedroom house with the additional problems regarding parking, which is already a problem in this area. The potential for overlooking adjacent properties makes this an unacceptable planning application.

Your views as made above will be considered before the application is determined.
