Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/61/26/HH
Site Address: 5 Chalet Road Ferring West Sussex BN12 5NY
Description of works: Loft conversion comprising front and rear dormers.

Thank you for your internet representation made on 11th August 2026 which has been recorded as an objection with the comments as follows:

OWPC85857

As the name suggests, Chalet Road and indeed Ferring as a whole, comprises predominately single storey and by comparison a very small number of two storey properties. The proposed "loft extension" is effectively a third storey extension.

To allow such a development effectively:

Changes the appearance of the existing property.

Permits an intrusion into the privacy of neighbouring properties

Due to the increased size and therefore the possible increase in number of occupants and vehicles raises the question of there being sufficient off street parking.

Potentially sets a precedent to allow future conversions of a similar nature, consequently changing the appearance of the village as a whole.
