Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/61/26/HH
Site Address: 5 Chalet Road Ferring West Sussex BN12 5NY
Description of works: Loft conversion comprising front and rear dormers.

Thank you for your internet representation made on 31st August 2026 which has been recorded as an objection with the comments as follows:

OWPC86351

We have recently moved to this area and one of our key reasons for purchasing is our private garden which is not overlooked. I do not support this application as it would result in a significant lack of privacy for us, with the top windows having a direct view into our back garden, making it no longer private. I would also add that I am not aware of any other properties within the local area which would be similar to this and it is therefore not keeping in the style and character of the local area which do not comprise of 3 floors with the top floor having a view over numerous local properties and gardens. I oppose this application for these reasons.

Unfortunately, it is not possible for the council to respond to comments on planning applications but your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. The website is updated once a day in the evening so it may take up to 24 hours for it appear on there. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date

of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
