Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/61/26/HH
Site Address: 5 Chalet Road Ferring West Sussex BN12 5NY
Description of works: Loft conversion comprising front and rear dormers.

Thank you for your internet representation made on 2nd September 2026 which has been recorded as an objection with the comments as follows:

OWPC86387

I am writing to strongly object to this planning application.

Whilst I note the alterations, this does not alter my stance and I stand by my former reasons which are as follows.

It is diagonally opposite to my house and I'm very concerned about the proposed loft extension because the height, size and location of the windows means that they all have a perfect view into my bedrooms. This will be a huge invasion of my private space and my right to move around freely and enjoy my home environment.

The appearance and height of this extension is totally out of character with the surrounding street scene.

The majority of properties in the locality are bungalows, with a small number of houses. A very large, 3 storey house, is totally out of keeping and will spoil the appearance and character of this lovely village, as well as setting a very worrying precedent to allow 3 storey buildings of this size, for the future.

Number 5 Chalet Rd does not have enough parking spaces to support a property with 5/6 bedrooms.

Because Chalet Rd is very narrow, on street parking causes an obstruction for passing vehicles, but would also obstruct emergency vehicles should the need ever arise for them to pass, let alone the disruption to myself and surrounding neighbours.

I very strongly believe that this will put people off wanting to buy properties in this village. Ferring has always had its own special character and identity, this will be drastically eroded and changed, should this proposal go ahead.

A recent letter to Ferring Parish Council objecting to this development contains a number of signatures from neighbours who had not seen the signs. The same individuals also lack digital know how and the ability to object formally, although equally impacted.

Unfortunately, it is not possible for the council to respond to comments on planning applications but your

views as made above will be considered before the application is determined.
