Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/62/26/HH
Site Address: 1 Greenways Crescent Ferring BN12 5EF
Description of works: Proposed Detached Garden Room.

Thank you for your internet representation made on 9th July 2026 which has been recorded as support with the comments as follows:

OWPC84680

I wish to support my neighbour's application. The outbuilding would be in keeping with surrounding properties, many of which have outbuildings. Due to existing dense planting, the outbuilding would be secluded and not very visible from the road, therefore would not significantly change or impact negatively on the character of the road, would not change or negatively impact the character of the road. The positioning of this house is unique, and therefore would not set a precedent for other houses on the road. In my view, this outbuilding would enhance both the property and the overall character of the road.

Your views as made above will be considered before the application is determined.
