Hi Julia,

I have been sent this DOC application in relation to FG/180/16/HH.

It appears it is complete with the exception of the fee.

Many thanks,
David

Dear Mr. Easton,

I write with reference to the above development which was approved under your reference FG/180/16/HH on 4th April 2017.

My purpose in writing is to ask you to discharge the only condition precedent on the approval – condition no. 3. In that regard please find attached a copy the form application for approval of details reserved by condition, duly completed which I understand from your tech team is required, together with a schedule of the proposed materials.

I note there is an application fee of £28.00 due. In that respect the client will ring and make a payment by card once the application for the discharge of condition 3 has been registered.

Yours sincerely,
