Dear Mr Easton,

The client has advised me that the bricks will be best quality - New Chailey Rustic Stocks. They will be colour blended at the Chailey works from a minimum of three packs to ensure a balanced colour blend. In respect of the roof covering he has chosen Cupa H12 Spanish Natural Slates 600x300mm.

I hope that the foregoing is sufficient for you to discharge the outstanding condition, if not or you would like to see samples then please let me know.

Kind regards,

Philip Willmer BSc Dip Arch RIBA

Dear Mr Willmer,

I have now had an opportunity to look at this Discharge of Conditions application. However, it is considered that details of the materials proposed needs to be more precise.

The main issue relates to the proposed roof materials and the brick work being described as 'red brick or similar'.

I would be grateful if you could please provide a revised materials schedule specifying the manufacturer for the roof materials and a more precise description of the brick colour.

Please do not hesitate to contact me should you wish to discuss this matter further.

Yours Sincerely,
David Easton
