Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application No: FG/63/21/T
Site Address: 1 Regency Court Ferring Street Ferring BN12 5HP
Description of works: Various works to 2 No. sycamore trees numbered T1 and T2 on the sketch plan.

Thank you for your internet representation made on 20th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35213

The trees are covered in ivy not mentioned in application, a few low branches and a broken hanging limb in the north tree. There is no need to crown lift to the limits suggested as they do not overhang road. As far as shade goes, feel work will make little difference as shade will also come from trees on opposite of the road from Yew Tree Cottage. not keen on crown thinning as all it achieves is to make the tree grow with more vigour. Combined with crown lifting and reducing crown would leave little remaining and impact the street scene. Bear in mind the frequency of applications in this immediate area.

Recommendation would limit work to sever ivy, remove deadwood, crown lift to 4 metres

Your views as made above will be considered before the application is determined.
