Dear Mrs Grieves,

Re: 44 Ferringham Lane, Ferring, BN12 5LU

Planning Application Ref: FG/115/17/PL
Discharge of Planning Conditions

Further to your letter dated 1st May 2018 and our subsequent telephone conversation this morning, conditions 5, 6, 8, 10, 11 and 12 are to be addressed now as listed in the approved document prior to starting of building site work.

Conditions 5.

A transport consultant's report together with the proposed traffic light system are attached.
Statement Report - Reeves Transport Planning Ltd.

Traffic light system - Automate System ref: 802-59MC Reeves Transport Worthing rev.1

Condition 6.

Please refer to DWG-628-11 and also the planning DWG-628-02 Rev G.

Condition 8.

Please see our landscape Architects DWG-731-L01 to discharge this condition.

Condition 10.

See Architectural DWG-628-11.

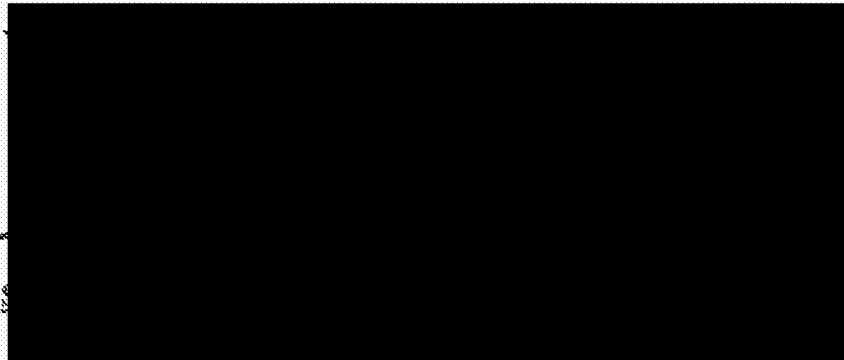

The type and colour of materials are shown on the drawing. However, if actual samples are required we can drop them at your offices.

Condition 11.

See Architectural DWG-628-08.

Condition 12.

See Architectural DWG-628-11.

cc. Alan Cornell
