Comment from Greenspace

It is unclear from drawing no 731-L-01 planting Plan, where the 4no Prunus padus 'Wateri' EHS are to be located within the scheme. It was also a part of condition 8 that the existing tree protection detail be detailed for approval, which also appears to be missing from the Landscape proposals drawings.

I would therefore have to recommend **not to discharge Condition 8 on application FG/64/18/DOC** imposed under FG/115/17/PL under this information is submitted for approval.
