Re: 64 Langbury Lane, Ferring, BN12 6QA

Your Ref: FG/64/22/HH

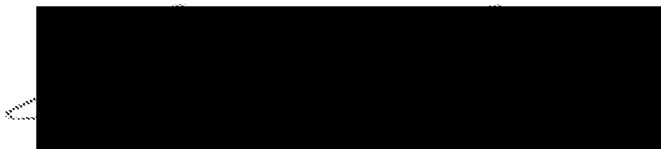

Heritage Statement

The application site – 64 is directly to the south and adjacent to, N^os 66 & 68 which are listed and constitute a pair of dwellings with traditional flint and brick walls under a clay plain tiled roof.

The proposed works to N^o. 64 as shown on the current application constitute a new porch set on the same footprint as the existing and approximately 6.500 from N^o. 66 and also the change of finishes to the external walls.

It is my opinion that the proposed works will have no impact on the adjacent listed building or its setting.

To clarify the relationship, I have attached 2 N^o street scene photos.
