Dear Ms Lloyd

FG/64/25/HH - 4 Sea Lane

With reference to the above and my earlier email, I have pleasure attaching the updated drawing showing the carport in context with the house, drawing PL03E for substitution of the drawing PL03D currently on file.

Kind regards

Tracey Parker

Dear Ms Lloyd

FG/64/25/HH - 4 Sea Lane

Following on from my earlier email and in light of the neighbour's comments, I have checked my drawing and realise that the site plan shows the roof configuration correctly, with the ridge running North-South, but my drawing PL03D needs changing as the elevations show the ridge running East-West.

I will get the drawing updated today to clarify the situation.

Kind regards

Tracey Parker

Dear Ms Lloyd

FG/64/25/HH - 4 Sea Lane

With reference to the above, we note that the neighbourhood consultation period has now ended and that there has been a comment from the neighbours at 2 Sea Lane regarding their concern over the car port.

Please could you advise whether you are supportive of the application and whether you would like us to offer a statement in response to Mr Fenton's concerns?

I could not see the comment separately on the system but found a response letter from Mr Crowther, Head of Planning.

Can you confirm that there have been no further comments from neighbours please?

Thank you in advance.

Kind regards

Tracey Parker
