Subject: Request for further information FG/64/25/HH

Dear Sirs

Request for further information FG/64/25/HH

With reference to the above, we can confirm that the applicant has made payment this afternoon, receipt attached.

In addition, we would like to change the description to include the front gate but do not need to include the entrance porch as this has been approved under reference FG/129/24/HH.

We have updated the drawings to remove the entrance canopy and therefore the following updated drawings are attached to this email and need substituting for those currently on file. In addition, we have prepared and attach drawing PL06 which shows the plan and elevations for the front gate.

- PL01C
- PL02C
- PL03C

- PL04A
- PL05A
- PL06

We trust that you find the attached in order and look forward to receiving confirmation of registration.

Kind regards

Tracey Parker
