Good Morning Debra,

I am aware of the inconvenience this has caused, and apologise for this. My date initially was incorrect, as the advertisement period would run until the 6th of September, therefore, if you are able to agree to an Extension of Time until the 10th, this would be appreciated.

Do you have a response to my queries of the previous email, regarding the placement of the fence?

Kind regards,

Zac

Morning Zac

If the "the consultation is an essential, statutory aspect of the application " it sounds like we have no alternative but to wait. Very disappointed about this when it is all due to someone your end not doing there job properly. is the 31st the earliest ?

Good Morning,

The plans appear to show that the fence is *behind* the hedging, as in, it will be visible within the street scene. Shown on the plan below:

Is the plan correct?

I apologise for the inconvenience, however, the consultation is an essential, statutory aspect of the application, and therefore must be accorded to. If you are able to agree to the extension of time, it would be appreciated.

Please do not hesitate to contact me with any further enquiries.

Kind regards,

Zac

Hello Zac

Very disappointed with this is there any way this can be fast tracked as we provisionally booked a fencer to start on the 19th. The fence will not be visible from West Drive as it behind exciting trees/bushs & on oval waye its only matching the neighbour opposite (same high) & all the neighbours we have spoken to all agree is will not be visible & i see on the website someone unknown to us sent a letter stating they cant see a problem with it . All we are trying to do is secure our garden & keep the dogs in and not cause anyone any problems

Regards
Debra Cowling

Dear Sir & Madam,

As a result of an error during validation, this application has never been formally advertised. Are you able to agree to an Extension of Time until the 30th of August 2019?

I apologise for any inconvenience this has caused.
