Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Part change of use for western half of building from Residential Care Home (C2 Residential Institution) to residents living together as a single household (C3(b) Dwelling House)
78 Langbury Lane Ferring

Thank you for your internet representation made on 23rd May 2018 which has been recorded as **'an objection'** with the comments as follows:

I feel it is totally inappropriate to have this type of accommodation in this area , the predominate population of the area is vulnerable elderly people who would be terrified to have people with drug and alcohol problems living in close proximity, also very inappropriate to have people with addictions living so close to people with learning disabilities who are incredibly vulnerable, there is nothing in the local vicinity to occupy the residents, also the extra traffic in the area from careers would add to the already congested road. I myself would feel very vulnerable to have peoplle with drug and alcohol problems in this area as we do not have street lighting and so you need to feel safe walking the streets this would no longer be the case what we need is housing not treatment centres for drug and alcohol this an area of low crime rate how that would change! As it is we see no police presence for a reason and that is how we want it to stay No No No we do not want this in our village

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

Planning operates an 'open file' policy and will publish details of your comments on the website. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website <https://www.arun.gov.uk/planning-privacy-statements>.

In the event of a subsequent written representations appeal, against a refusal of planning

permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
