Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Part change of use for western half of building from Residential Care Home (C2 Residential Institution) to residents living together as a single household (C3(b) Dwelling House)
78 Langbury Lane Ferring

Thank you for your internet representation made on 24th May 2018 which has been recorded as '**an objection**' with the comments as follows:

Ferring is supposed to be a small village and a establishment of this sort is too large and totally unacceptable - there is enough traffic going up and down Langbury Lane and this will only encourage further problems with parking. There are now a large number of children in the area and a lot of vulnerable older people and I feel this sort of establishment would not be suitable for this area. In our opinion this sort of home would be better closer to Worthing Hospital and the police station in case of accidents. The local surgery is already very busy and it is difficult to get appointment and drug and alcohol patients will probably be attended before the rest of the community.
