Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Part change of use for western half of building from Residential Care Home (C2
Residential Institution) to residents living together as a single household (C3(b)
Dwelling House)
78 Langbury Lane Ferring

Thank you for your internet representation made on 25th May 2018 which has been recorded
as **'an objection'** with the comments as follows:

*Area full of children and the elderly. No infrastructure for this either with gp surgery or
village itself. Village is safe and that's why people love living here. The proposed clientele
will have nowhere to go except the park which is a haven for kids. I also have 2 very
vulnerable children, adopted with serious issues. Really think this is not suitable for this
small village environment. Happy to expand comments if necessary.*

Unfortunately it is not possible for the council to respond to each representation individually but
your views will be considered before the application is determined and I shall write to inform you of
any decision made.

If the application is to be determined at the Development Control Committee and your letter has
been received after the agenda has been published, you will not receive a separate letter notifying
you of the date of the meeting and the procedures for public speaking. In such circumstances, it is
recommended that you track the progress of the application on the website or telephone for further
information. Please be advised that any comments received after the the Development Control
Agenda has been produced will be reported to the meeting. Please also note that only a small
number of all planning applications are determined at the Development Control Committee, most
are determined by officers under delegated power.

Planning operates an 'open file' policy and will publish details of your comments on the website.
Please ensure that you only provide information that you are happy will be made available in this
way. If you supply information belonging to a third party, please ensure you have their permission to
do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing
and I will arrange for it to be destroyed although this does mean that its contents will be
disregarded. For details of what we do with your personal information please refer to our privacy
statement comments on planning applications which is available on our website
<https://www.arun.gov.uk/planning-privacy-statements>.

In the event of a subsequent written representations appeal, against a refusal of planning
permission on a householder application, any representations made on the application will be
automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no
further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
