Good morning,

Thank you for your email and the concern that you raise.

I am aware that some residents in Langbury Lane and surrounding roads have researched and raised concerns in relation to planning application FG/66/18, 78 Langbury Lane. Residents are advised to raise any objection/support via the proper process to Arun District Council Planning Department.

Kind regards

Nadine Phibbs

Clerk & Responsible Financial Officer
Ferring Parish Council

I am very concerned that a resident from 64 Langbury Lane is canvassing other residents in this road about the planning application for 78 Langbury Lane. She is using spurious information to suggest that Progress Housing's plans will result in people with drug and dependency issues causing social problems in Ferring. I am concerned that this is totally biased, ill judged and ill informed and not in the interest of Ferring.
