Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/68/20/HH
Site Address: 9 East Onslow Close Ferring BN12 5RR
Description of works: New balustrade balcony to existing flat roof extension.

Thank you for your internet representation made on 2nd August 2020 which has been recorded as support with the comments as follows:

OWPC28763

My wife and I live at 45 Ferring Street and have been here for almost twenty years. Our rear garden directly backs onto the garden of this application and so they face one another. My wife and I have no objection to this application and are in full support of the balustrade over the existing flat roof.

I would point out that our property would be the most 'affected' by this application as highlighted earlier (rear gardens backing onto one another) and we feel that this wouldn't cause us any difficulties or be an intrusion into living our private lives by overviews.

The balustrade when painted white would in my opinion be very well hidden against the newly white painted exterior walls of the main property and would be an added feature.

I would be happy to discuss this from anyone at the planning department.

Yours faithfully,

Mr James Davidge
45, Ferring Street
Ferring.
