Anita,

Further to our conversation today I can confirm that the amendments made here are acceptable on the basis that the glazing detail will be agreed by condition.

Kind regards

Ian

Dear Mr Wightman;

RE: The Old Barn - Ferring - Application No. FG/6/12 & FG/4/12/L

Further to yesterday's telephone discussion, please find attachments with Febo Designs revised drawings No's 3214-006 rev C, 3214-009 Rev E, 3214-010 Rev E and 3214-011 Rev D.

I have amended the proposals according to the agreed design revisions as follows:-

1. The Patent Glazing over the west entrance has been removed
2. The internal glazing to Bedroom 2 has been extended
3. The Study's partitions have been changed from solid to glazed construction

With regards to the profile and detail of the proposed Patent Glazing to the west side of the roof, we are happy if these items are conditioned to approved detail by ADC and if the proposals are not satisfactory, we are also happy to change them to conservation rooflights.
