Dear Sir/Madam

RE: APPLICATION BY WADARS FOR COMPLETION OF ANIMAL RESCUE
AND REMOVING CENTRE AT HANCLINGTON LANE, FERRING
REF. EG/6/20/PL

I AM WRITING VERY MUCH IN FAVOUR OF THIS APPLICATION BY
WADARS TO COMPLETE THEIR ANIMAL REMOVING / RESCUE CENTRE.
THE AREA WHERE THEY ARE AT HANCLINGTON LANE SEEMS A
VERY GOOD LOCATION FOR SUCH A FACILITY AND THE AREA
NEEDS A COMPLETE ANIMAL CENTRE OF THIS TYPE.
NATIONALLY, THE PROBLEM OF ABANDONED PETS IS GROWING,
AND RESCUE CENTRES NEED TO GROW WITH THE PROBLEM.
AND ALSO - AS HUMAN INFLUENCE EXTENDS NOW INTO THE
REMAINING WILDLIFE AREAS, WILDLIFE RESCUE AND REHABILITATION
BECOMES EVEN MORE IMPORTANT. BRENT LODGE IN STOLESHAM
CAN'T BE EXPECTED TO HANDLE ALONG.

A PURPOSE-BUILT FACILITY OF THIS TYPE NEEDS STORAGE AND
A LAUNDRY, SPECIALIST AREAS, ISOLATION AREAS, EXERCISE AND
ENRICHMENT SECTIONS AND A MULTI-PURPOSE TRAINING
AND EDUCATION CENTRE.

DETAILED PLANNING PERMISSION NOW IS NECESSARY FOR
GRADUAL COMPLETION OVER SEVERAL YEARS.

THE FACT THAT WADARS USE A COMMERCIAL BOARDING KENNEL
IN LANCING AT PRESENT IS NOT SOMETHING WHICH SHOULD
CONTINUE AD INFINITUM, BECAUSE IT COSTS A MASSIVE AMOUNT
AND CAN ONLY EVER BE SECOND BEST.

PLEASE GRANT PLANNING PERMISSION FOR EG/6/20/PL

Yours faithfully
