Dear Sir,

I couldn't find a way to support the above planning application for Wadars Animal Rescue on the council website. This organisation is dedicated to the wellbeing of all animals, wild and domestic. They do an amazing, totally worthwhile, job and deserve to have the facilities to continue their work. Currently they have to spend £30k per year to kennels in Lancing for dogs and cats awaiting re-homing which is impractical and a waste of generous donated funds. I have had my rescue dog from them for just over 4 months which brings me much joy and companionship and provides Star with a secure and loving forever home. I am indebted to them.

I fully support their application for improvements.

Yours truly,

Jan McKinnell (Mrs)
