Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/6/20/PL
Site Address: Hangleton Farm Livery Stables Wadars Animal Rescue Centre Hangleton Lane
Ferring BN12 6PP
Description of works: Development of Animal Rescue Centre, to include new buildings for reception, training & education, cattery, kennels & associated ancillary accommodation, conversion of existing barn into staff accommodation along with driveways, car parking & landscaping. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 11th August 2020 which has been recorded as an objection with the comments as follows:

OWPC28932

I do not have any objections to some of the proposed development but I do have objections in relation to the building of the dog kennels and the associated noise the dogs that will be kennelled there will create. Not only will the noise be objectionable to residents and other users of the area, but is especially relevant as there is a long established equine facility next door which is used by many children and not only is there the noise nuisance to consider but also the chance that a horse could be alarmed and endanger the rider. I fully understand that WADARS carry out good work but this location is not suited for a dog rehoming centre.

Your views as made above will be considered before the application is determined.
