Dear Mrs Hargreaves,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: Installation of a new double non turf cricket training strip (astro wicket) within the existing playing field, replacing astro surface with a new ECB approved synthetic surface, reorientation from east-west to south-north for improved safety and usability, new wicket will be installed on a dynamic aggregate base using the Notts Sport Envelope System with a NottsGrass Ultra surface, the strip will be slightly extended to ensure bowlers land on the synthetic surface rather than grass, preventing damage to the outfield and improving safety of players and walkers using the field alike. This application is in CIL Zone 4 (Zero Rated) as other development.

Location: Little Twittens Recreation Ground Sea Lane Ferring BN12 5DY

Thank you for your recent application which I received on 26th January 2026. It is being validated by Mrs D Johnson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Biodiversity Net Gain Metric Tool

A fully completed statutory biodiversity metric calculation tool must be provided in excel and pdf format. Further details and links to the metric tool can be found in the Validation Requirements List.

Block Plan

Please submit an electronic block plan in pdf format at a scale of 1:500. Further details of what must be included on the plan can be found in the Validation Requirements List.

Please provide a BNG pre and post habitat plans.

Please confirm the amended description is accurate and satisfactory.

Surface Water Drainage Information

Please provide the required surface water drainage information in separate documents as indicated

in the planning Validation Requirements List.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **10th February 2026** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
