Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/6/26/PL

Site Address: Little Twittens Recreation Ground Sea Lane Ferring BN12 5DY

Description of works: Installation of a new double non turf cricket training strip (astro wicket) within the existing playing field, replacing astro surface with a new ECB approved synthetic surface, reorientation from east-west to south-north for improved safety and usability, new wicket will be installed on a dynamic aggregate base using the Notts Sport Envelope System with a NottsGrass Ultra surface, the strip will be slightly extended to ensure bowlers land on the synthetic surface rather than grass, preventing damage to the outfield and improving safety of players and walkers using the field alike. This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 17th March 2026 which has been recorded as an objection with the comments as follows:

regular user of the Twitten open space, it seems that the cricket club is increasingly encroaching on the rights of the villagers to use this space safely. I understand the need for net practice and the need for it to be safe for players and the general public alike. However, the sitting of the practice nets impinges on the rights of the residents, on the edge of this site, to enter and leave their properties via their gates on to the open space safely. These gates are their fire escape routes. Also when these facilities are being used there is scant regard for the safety of the general public using the field for their own recreation. Improving, I guess this is the intention, will only attract more players and can the cricket club be assured that whilst in use the safety of the general public will be
