Dear Mrs Hargreaves,

The Town and Country Planning Act 1990 (as amended)

Installation of a new double non turf cricket training strip (astro wicket) within the existing playing field, replacing astro surface with a new ECB approved synthetic surface, reorientation from east-west to south-north for improved safety and usability, new wicket will be installed on a dynamic aggregate base using the Notts Sport Envelope System with a NottsGrass Ultra surface, the strip will be slightly extended to ensure bowlers land on the synthetic surface rather than grass, preventing damage to the outfield and improving safety of players and walkers using the field alike. This application is in CIL Zone 4 (Zero Rated) as other development.

I refer to your letter received on 8th April 2026 requesting that the above mentioned Planning application be withdrawn.
