Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Alterations to rear of retail unit and conversion to form one-bedroom flat.
66 Ferring Street Ferring

Thank you for your internet comments made on 30th July 2009 and recorded as follows:

The Parish objects most strongly to the proposal which it considers to be a wholly inappropriate change of use for the current shop facility. ☐

☐

Additionally, from information provided to this Council, this ground level building does not have a right of access over the private land to the rear or side of the property and there is therefore some doubt as to whether any parking facility would be available to the proposed conversion. ☐

☐

The Parish considers that the Planning Authority should refuse the application. ☐

☐

Roger Frost ☐

Clerk to Ferring Parish Council ☐

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
