Dear Anita,

I understand we are due a decision on the 20th August (Approximately 3 weeks away). No objections have been received in relation to drainage, economic development and environmental health.

Objections have been raised by the Parish Council and Conservation Group of Ferring on the basis mainly that they state the proposal to be contrary to the Development Plan. This is entirely incorrect, as our Planning Statement clearly sets out how the proposal is in accordance with the

Development Plan. Secondly your business development manager supports proposal and provision of jobs within this area.

Please can you therefore provide us with your views on the above planning application in light of the comments received.
