Dear Ms. Malik,

Many thanks for your email 20th May. I have attached an amended application form with an amended description of proposed works as requested.

To be clear, the proposed works include front and rear dormer replacements, new roof skylights, replacement of the existing garage roof with a green roof, reinstatement of chimney at roof level, a render system to the existing brick facades, removal of two rear conservatories and replacement with terrace as well as additional glazing and doors and windows to the ground and first floors.

Please feel free to email or call if you require any further information in order to validate this application.

Kind Regards,

Robert
