Your Ref: FG/TS/25/

7 JUL 2025

Dear Susan Haley

Removal of Lower overhanging branches at 29, Downview Ave, Ferring. BN12 6QW

Thank you for your letter of 25/6/2026. I enclose specific measurements.

(a) Number of branches on overhang = 7

Starting from left to right

Branch 1: 133cms
Branch 2: 132cms
Branch 3: 165 cms
Branch 4: 170 cms
Branch 5: 165 cms
Branch 6: 94 cms
Branch 7: 70 cms

please see photo A and photo B

All of the branches will be cut back to boundary fence

(b) The lower foliage of walnut tree leaves growing from the branches (photo A and photo B).

Maximum distance of foliage from the boundary fence	170 cms
Distance across foliage	220 cms
Height from decking to top of foliage.	267 cms

The foliage will be cut back to the boundary fence.

(c) The work on the overhang will be done by my gardener.

Yours sincerely
