Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Proposed new wall to front of property & new timber car port. Re-submission following planning application FG/20/11

15 Ferringham Lane Ferring

Thank you for your internet comments made on 8th July 2011 and recorded as follows:

> *At its 27 June 2011 meeting the Parish Council considered this revised application and decided to maintain its objection to the proposed wall on the grounds that its appearance would be inappropriate to the road scene and its placement would be outwith the perceived building line of adjacent properties to the east where front fencing is placed to the north of the associated ditch.*

> *Parish Clerk*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
