Ref FG/76/19

13th August 2019.

Dear Sir

I wish to add my support to the Conservation Group regarding the house in the garden application.

The group's objections are so well presented it covers many reasons for this not to be allowed, I am a resident in the area and take an interest in how Ferring is changing which it has to but this is pushing the boundaries.

Yours sincerely

Mr Alan Beechey
