Dear Arun Planning

Please find below / attached further information as requested:

- **Location Plan**
Now amended on the planning portal to show access to the field from the public highway (Rife Way)
- **Block Plan**
1:500 scale plan obtained and attached
- **Hours and Days of Operation**
Proposed use would be year-round, but this would be self-limiting.
During off peak times (winter etc), there is less likelihood of us needing to provide extra parking.
Similarly, during wet weather, the area would not be practical to use as a car park.
The parking would be required to service our core hours (Mon - Sat 0900 - 1700, Sun and BH's 1000 - 1600).
There may be a need to use the car park for staff / other parking and for ad hoc events outside of these hours.
- **Surfacing materials**
No changes or additions will be made to the surface of the field.
- **Biodiversity enhancement plan attached**
- **Flood Risk Assessment attached**

This is my first attempt at a planning application, so apologies for any omissions.

Please advise if you need any further information.

Kind regards
Dave
