Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Re-pollard back to previous pollard points 1no. Sycamore tree at entrance of property
within the Ferring Conservation Area
1 Regency Court Ferring Street Ferring

Thank you for your internet comments made on 5th July 2012 and recorded as follows:

Ferring Parish Council (FPC) would like all trees to be replaced when they come to the end of their life. There is no objection to reasonable pruning but FPC would appreciate this clause being added to all Planning Application approvals which involve trees. Thank you.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
