27/6/2017.

Dear Ms Bodin

I have been asked to email you
by Lisa Colney / Mrs Spencer.

We are submitting our 3rd set of plans
for 4 Ferring Marine after being advised by
the building controller to knock our garage down.

Would you please alter our planning
application form to read

Retention of rear and side extension to
form ensuite to bedroom, dining room
and accommodation for dependent relative.

If you need confirmation of this
request or the correct wording in our
case please contact Mrs Spencer
Katen Garner or Lisa Colney

Regards
