Hi,

If you edit the application form and return it to me via email instead that would be brilliant.

Hi Iqraa, I have tried calling you, but I am having difficulty in adding the lead to the material list as it will not let me edit on the portal.

Regards

Pierre

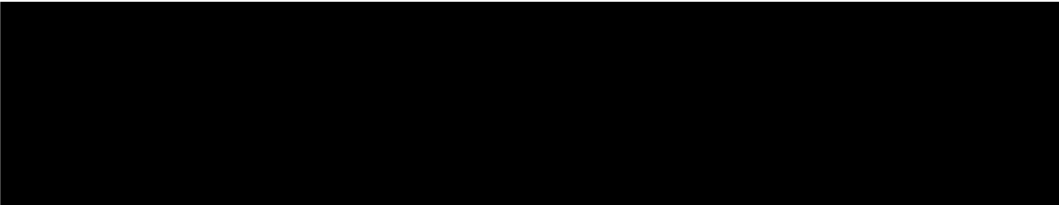

Good morning,

Unfortunately, your application is still invalid for the following reasons:

Application Form: Says “draft not for submission” we cannot accept this, it has to be a proper form which you can find on the Arun website. You have also not included leadwork in the materials section of the application form. Please amend.

CIL: Please submit a CIL Form

Kind Regards
Iqraa Malik
