Hi Kathryn,

I am agent for this application to discharge the sound condition C3.

I am slightly confused for the need for the application to discharge the sound condition as Chima in EH was happy at the time, see copy of email 25/3. Anything you can do to push the application through swiftly would be much appreciated as my clients have incoming tenants desperate to move in and this further application has really inconvenienced them.

If I can assist in any way to help the process then please let me know.

Regards.

Hi Andrew,

A sound insulation scheme will be sufficient considering the context of the proposed scheme.

Kind Regards
